

Drumming Bird

Drumming Bird is the main vehicle of singer-songwriter Austin Sawyer. Sawyer has been writing and performing music as Drumming Bird for over a decade, meticulously crafting a sound that lies somewhere between the youthful noise of indie-rock and the poignant working-class introspection of Americana.

The growth of Drumming Bird's burgeoning fanbase has been catalyzed by national TV placements, including on Showtime's hit show, *Shameless*, captivating live performances at many of the nation's flagship clubs and a growing reputation as one of the most authentic voices writing music today.

The title track of Drumming Bird's 2022 release, *American Spirits*, scored him second place finishes in Unsigned Only's 2022 Songwriting Contest and American Songwriter's 2022 Song Contest. The following single "Electric Cowboy" landed on Spotify's editorial playlists: Fresh Finds, Fresh Finds: Rock and Grade A.

Drumming Bird's forthcoming record, *Roadkill Poetry*, was produced by Oscar-nominated songwriter Mike Viola (Panic! At The Disco, Andrew Bird, Jenny Lewis), with Griffin Goldsmith (Dawes), Sebastian Steinberg (Fiona Apple, Iron & Wine, Soul Coughing) and Viola as the backing band.
