

# The BLACK MARKET TRUST

The Black Market Trust are an American pop/vocal jazz band who combine the sounds of the great American crooners and vocal groups with the romantic Eastern European fire and energy of gypsy jazz guitarist Django Reinhardt. Consisting of five world class musicians who have traveled the globe recording and performing on the world's biggest stages and with music's most renowned artists, The Black Market Trust capitalize on their experience and pedigree to deliver a lively, crowd pleasing performance filled with some of the best songs ever written.

Merging their love of everything from The Mills Brothers to The Beach Boys, Sinatra to Lennon/McCartney, the band has arranged lead and three-part vocal harmony lines to many of the Great American Songbook standards. Be transported as they meld two distinctly different vibes- one of a gypsy campfire, the other a slick metropolitan nightclub- into a cohesive, stylish sound.
