

Hailing from Clemson, South Carolina, Lovely World amassed a great following in the college town. As a rock band with spontaneous and highly energetic live shows coupled with their true passion for music, Lovely World quickly became a force to be reckoned with. Founded by brothers Landon Rojas (vocals and guitar) and Cade Rojas (drums) in high school, later joined by Michael Gilbert (bass) and Daniel Williams (guitar). This indie rock outfit has been making a lot of friends and followers stateside with an eye to the rest of the world.
