

Wheatus is a seven-piece rock band based in New York. Since their hit single 'Teenage Dirtbag' in 2000, the band have worked independently, releasing multiple singles, recording six studio albums, and touring every year.

In addition to recording their seventh album, the band is currently working on a twenty-song, 20th anniversary edition of their debut self-titled album, scheduled to be released in August 2020. The re-recorded version will be supported by tours of Australia, Europe, the UK and the USA.
